

Fire Resistance of Wood Members with Directly Applied Protection

<https://research.thinkwood.com/en/permalink/catalogue791>

Author: White, Robert
 Organization: Fire and Materials
 Publisher: Interscience Communications
 Year of Publication: 2009
 Country of Publication: United States
 Format: Conference Paper
 Material: Glulam (Glue-Laminated Timber)
 LVL (Laminated Veneer Lumber)
 Application: General Application
 Topic: Fire
 Keywords: Douglas-Fir
 Type X Gypsum Board
 US
 Protection
 Language: English
 Conference: Fire and Materials 2009
 Research Status: Complete
 Notes: January 26-28, 2009, San Francisco, California, USA
 Online Access: Free
