

## Lateral Load Resistance of Cross-Laminated Wood Panels

<https://research.thinkwood.com/en/permalink/catalogue2150>

Author: Popovski, Marjan  
Schneider, Johannes  
Schweinsteiger, Matthias

Year of Publication: 2010

Country of Publication: Italy

Format: Conference Paper

Material: CLT (Cross-Laminated Timber)

Application: Walls

Topic: Connections  
Seismic

Keywords: Quasi-Static Tests  
Seismic Performance  
Screws  
Nails  
Steel Brackets  
Timber Rivets

Language: English

Conference: World Conference on Timber Engineering

Research Status: Complete

Online Access: Free
