

Experimental and Numerical Investigation on the Shear Strength of Glulam

<https://research.thinkwood.com/en/permalink/catalogue2237>

Author: Crocetti, Roberto
Gustafsson, Per-Johan
Danielsson, Henrik
Emilsson, Arne
Ormarsson, Sigurdur

Year of Publication: 2010

Format: Conference Paper

Material: Glulam (Glue-Laminated Timber)

Topic: Mechanical Properties

Keywords: Shear Strength
Shear Loading
Boundary Conditions

Conference: CIB-W18 Meeting

Research Status: Complete

Online Access: Free
