

Structural Fire Design-Statement on the Design of Cross-Laminated Timber (CLT)

<https://research.thinkwood.com/en/permalink/catalogue2398>

Author: Schmid, Joachim
 Werther, Norman
 Klippel, Michael
 Frangi, Andrea

Publisher: Juniper Publishers

Year of Publication: 2019

Format: Journal Article

Material: CLT (Cross-Laminated Timber)

Application: Wood Building Systems

Topic: Fire
 Design and Systems

Keywords: Fire Safe Design
 Fire Characteristics
 Building Codes

Research Status: Complete

Series: Civil Engineering Research Journal

Online Access: Free
