

Mechanical Properties of Cross-laminated Timber (CLT) Panels Composed of Treated Dimensional Lumber

<https://research.thinkwood.com/en/permalink/catalogue2423>

Author: Tripathi, Sachin
 Publisher: Mississippi State University
 Year of Publication: 2019
 Format: Thesis
 Material: CLT (Cross-Laminated Timber)
 Application: Wood Building Systems
 Walls
 Floors
 Topic: Mechanical Properties
 Keywords: Panels
 Rolling Shear
 Preservative
 Adhesives
 Southern Yellow Pine
 Out-of-Plane Load
 Research Status: Complete
 Online Access: Free
