

Assessment of Bending Properties of Sawn and Glulam Blackwood in Portugal

<https://research.thinkwood.com/en/permalink/catalogue2463>

Author: Martins, Carlos
 Monteiro, Sandra
 Knapic, Sofia
 Dias, Alfredo

Publisher: MDPI

Year of Publication: 2020

Country of Publication: Switzerland

Format: Journal Article

Material: Glulam (Glue-Laminated Timber)

Topic: Mechanical Properties

Keywords: Blackwood
 Modulus of Elasticity
 Longitudinal Vibration Method
 Bending Strength
 Four Point Bending Test

Language: English

Research Status: Complete

Series: Forests

Online Access: Free
