

## Long-term Load—Deformation Behaviour of Timber–Concrete Joints

<https://research.thinkwood.com/en/permalink/catalogue2525>

Author: Van de Kuilen, Jan-Willem  
Dias, Alfredo

Publisher: ICE Publishing

Year of Publication: 2012

Format: Conference Paper

Application: Wood Building Systems

Topic: Mechanical Properties

Keywords: Timber Joints  
Dowel Type Fastener  
Timber-to-Timber  
Timber-to-Concrete  
Creep

Language: English

Conference: World Conference on Timber Engineering

Research Status: Complete

Series: Proceedings of the Institution of Civil Engineers - Structures and Buildings

Online Access: Free
