

## A Cradle-to-Cradle Approach to Timber Post and Beam Structures

<https://research.thinkwood.com/en/permalink/catalogue1481>

Author: Wong, Yu Feng  
Organization: Delft University of Technology  
Year of Publication: 2016  
Country of Publication: Netherlands  
Publication:  
Format: Report  
Material: Glulam (Glue-Laminated Timber)  
DLT (Dowel Laminated Timber)  
Application: Wood Building Systems  
Topic: Environmental Impact  
Design and Systems  
Connections  
Keywords: Sustainability  
Post and Beam  
Cradle-to-Cradle  
Adhesives  
Language: English  
Research Status: Complete  
Online Access: Free
