

## Review on Long-Term Behaviour of Timber-Concrete Composite Floors

<https://research.thinkwood.com/en/permalink/catalogue904>

Author: Nima Khorsandnia  
Hamid Valipour  
Rijun Shrestha  
Christophe Gerber  
Keith Crews

Year of Publication: 2013

Country of Publication: Australia

Format: Conference Paper

Material: Timber-Concrete Composite

Application: Floors

Topic: Serviceability

Keywords: Long-term Behaviour  
Temperature  
Relative Humidity

Language: English

Conference: Australasian Conference on the Mechanics of Structures and Materials

Research Status: Complete

Notes: December 11-14, 2012, Sydney, Australia

Online Access: Free
