Publisher: The Korean Society of Wood Science Technology

Year of Publication: 2011

Country of Publication: Korea

Format: Journal Article

Material: Solid-sawn Heavy Timber

Application: Wood Building Systems

Topic: Moisture

Keywords: Radio-Frequency/Vacuum Drying
 Moisture Gradient
 Shrinkage
 Case Hardening
 Surface Checks
 Compressive Load

Language: Korean

Research Status: Complete

Series: Journal of the Korean Wood Science and Technology

Online Access: Free
