

The Applicability of I-214 Hybrid Poplar as Cross-Laminated Timber Raw Material

<https://research.thinkwood.com/en/permalink/catalogue1132>

Author: Markó, Gábor
Bejő, László
Takáts, Péter

Year of Publication: 2015

Country of Publication: Hungary

Format: Journal Article

Material: CLT (Cross-Laminated Timber)

Topic: Mechanical Properties

Keywords: Poplar
Bending Test
Polyurethane
MOE
Low-Grade

Language: Hungarian

Research Status: Complete

Series: Faipar

ISSN: 2064-9231

Online Access: Free
