Author: Zhang, Jing
He, Minjuan
Li, Zheng

Publisher: Springer Japan

Year of Publication: 2018

Country of Publication: Japan

Format: Journal Article

Material: Glulam (Glue-Laminated Timber)

Application: General Application

Topic: Mechanical Properties

Keywords: Bolted Joints
Cracks
Finite Element Model
Failure Modes
Tension Load

Language: English

Research Status: Complete

Series: Journal of Wood Science

ISSN: 1611-4663
